Nothing but the specially designed Oro-Simulator could wrap itself around your penis like your very own second skin——like the best blow job and the wildest fuck you've ever had or ever imagined, you'll have the most soul shattering, nerve rending, hotly spasming explosion of unbridled sexual ecstasy you've had in years!

It continues to cling, hot and wet, gliding silkily up and down, stroking with ever maddening intensity back and forth until your vision blurs with total excitement and your balls are screaming to let go! Unlike a mouth the *Oro-Simulator* never lets go, never gets tired, never gives up, never stops moving until and unless you want it to! The pleasure is relentless, ever increasing, all consuming—at precisely the speed, motion and position that feels best for you!

EDITOR'S CORNER

All of you who have called requesting information about not receiving your February issue, we thank you. We mailed notices to all of you about our office roof collapsing and destroying our issues, computers, supplies and our spirit. We decided to scrap the February issue and go right ahead with the March issue. Much of the material which was to appear in the February issue is contained in this issue.

Many of you have requested additional copies of our Premier issue. We have none left. The response to our ads has been tremendous! It looks as if our personal ads may attract most guys into jocks, briefs and gym gear. We have begun performing computer matches of all of you who have submitted personal ads. Each of you should receive your results by mid March.

The JOCKEY CLUB is forming a data base of all feature films, TV programs and adult videos which feature scenes of sex gear. Please send us your list. The entire data base will be combined and offered as a suppliment to our regular magazine. If possible, use this format:
TITLE, (J) jockstrap, (B) briefs, (G) gym gear, (S) swimtrunks; STAR, YEAR.

We are in production of the erotic history of jockstraps. The video, JOCKSTAPE, will be available by the end of March. It features about 20 hunky men in over 400 jockstraps and briefs.

Please send us your fantasies. Several of the fantasies you've sent us will appear in JOCKSTAPE. Tell us exactly what you want to see in JOCKEY CLUB's private videos. We will try to make them all come to life on video.

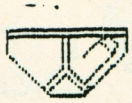
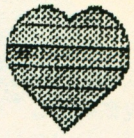
I LOVE BRIEF'S





Dear Jockey Club:

I am requesting a sample copy of your magazine on men's underwear. Yes, I do have a "fetish." But, it is somewhat specific, so please pick out the best available sample that fits the following description:

I like plain, white, cotton "briefs" that most men wear of any brand: B-V-D, Fruit of the Loom, Hanes, Jockey, and "store" brands such as Sears, Penny's, Wards, K-Mart, etc.

I hate boxer shorts!!!

Of course, I"m writing because briefs are so rare in gay porno. I'm assumming most gays are not turned on by the common brief. In nearly all gay porno the models are wearing no underwear,or perhaps jock straps. Jock straps are fairly common as is "exotic" underwear, you know, the bikini style, which are just too "gay" for my taste. I also dislike nylon, leather, rubber or the "Drummer" magazine look.

After all, for that crowd there is "Drummer". How can anyone be turned on by NO underwear,now that is a perversion!! Ha-Ha

So, it creates a real problem for the "briefs" lover. We are forced to be satisfied with clipping brief's ads out of the daily paper!!

Just recently, some gay producers have finally realized the erotic value of briefs: Wm. Higgins & Matt Sterling and a few Novas.

Higgins did not use briefs in his first 4 or 5 Videos. They started showing up about a year or two ago in "Cousins", Brother Load, Lance and Leo. Now, most of the current Higgins do have a generous portion of brief shots: "Preppy Summer", "Pipeline", "Route 69", "The Young and The Hung", Very often, oddly enough, the mags to the videos contain many more briefs shots than do the films they depict. "Delivery Boys","Calif Summer" are two good examples. In "Delivery Boys" one of the models is wearing 3 brands: Jockey, Calvin Klein, and B-V-D's.

But, in the video itself, the model wears none. "None" counts if you see the briefs for only a quick second as he takes them off, and don't get a real look, so you don't even know the brand, and this is part of the turn on, is knowing the brand.

I know this all sounds quite ridiculous but, such is the nature of a fetish. I told you I was a specialists, Ha-Ha!

My idea of a perfect model is Glen Armstrong in Nova's "Something Wild." Chunky and Hairy. That is my main gripe with Higgins. Most (of William's) models are skinny and hairless, you know that boiled, fetal look. But, hairy? Oh! yes, that's my other fetish. Chunky men are fairly common in gay porno and it goes without saying that most porn models are young and handsome.

So the real lack, the major missing element are the men's briefs. I have at least a dozen "Colt" mags with lots of hairy, gorgeous men, but not one brief. This is unbelievable but true.

I LOVE BRIEF'S

CON'T FROM PAGE 8

So 99% of gay porno is a total waste for me. No briefs- no turn on- it's just that simple.

Please come to my rescue!

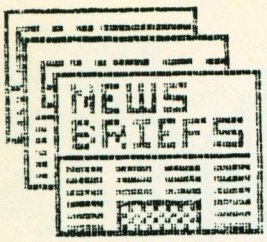
BRIEF LETTERS

Dear Jockey Club:
Thank you for your first issue. It was wonderful. I hope you keep up the good work.
I was dissappointed only in the fact that there were no gay film reviews. I would appreciate it if you would start running them.

R.C., Cinncinnati

Dear R.C.:
The JOCKEY CLUB will be running reviews of videos which feature Briefs and Jocks as a predominant theme. We are compiling a data base of all videos, TV programs and feature films that feature sexy gear. We encourage all readers to send us their list.
Some of the hottest new vids are: PIZZA BOY - HE DELIVERS, COMING SOON, and BELOW THE BELT. The last two are reviewed in this issue. Everybody who is into white cotton briefs will love a new French film called HOT ON THE TRAIL. It has several Boy Scouts in and out of briefs all the way through the video. Jockstrappers will go nuts over JOCKEY CLUB's JOCKSTAPE to be released on April 1, 1986. Though briefs will also be featured in the video, it is geared to jocksniffers. Those of you wishing to order the video prior to its completion may order it before March 16th for only $25 a copy).



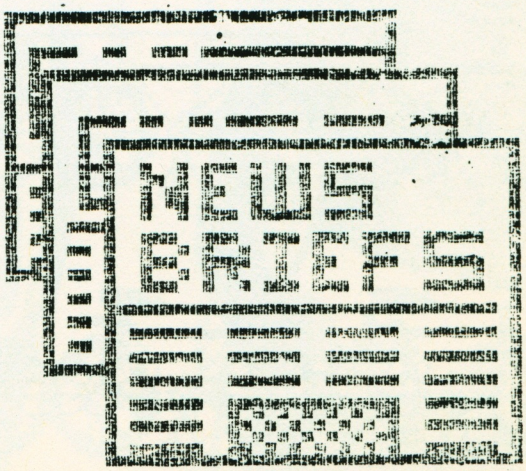
JOCKEY CLUB REPORTS

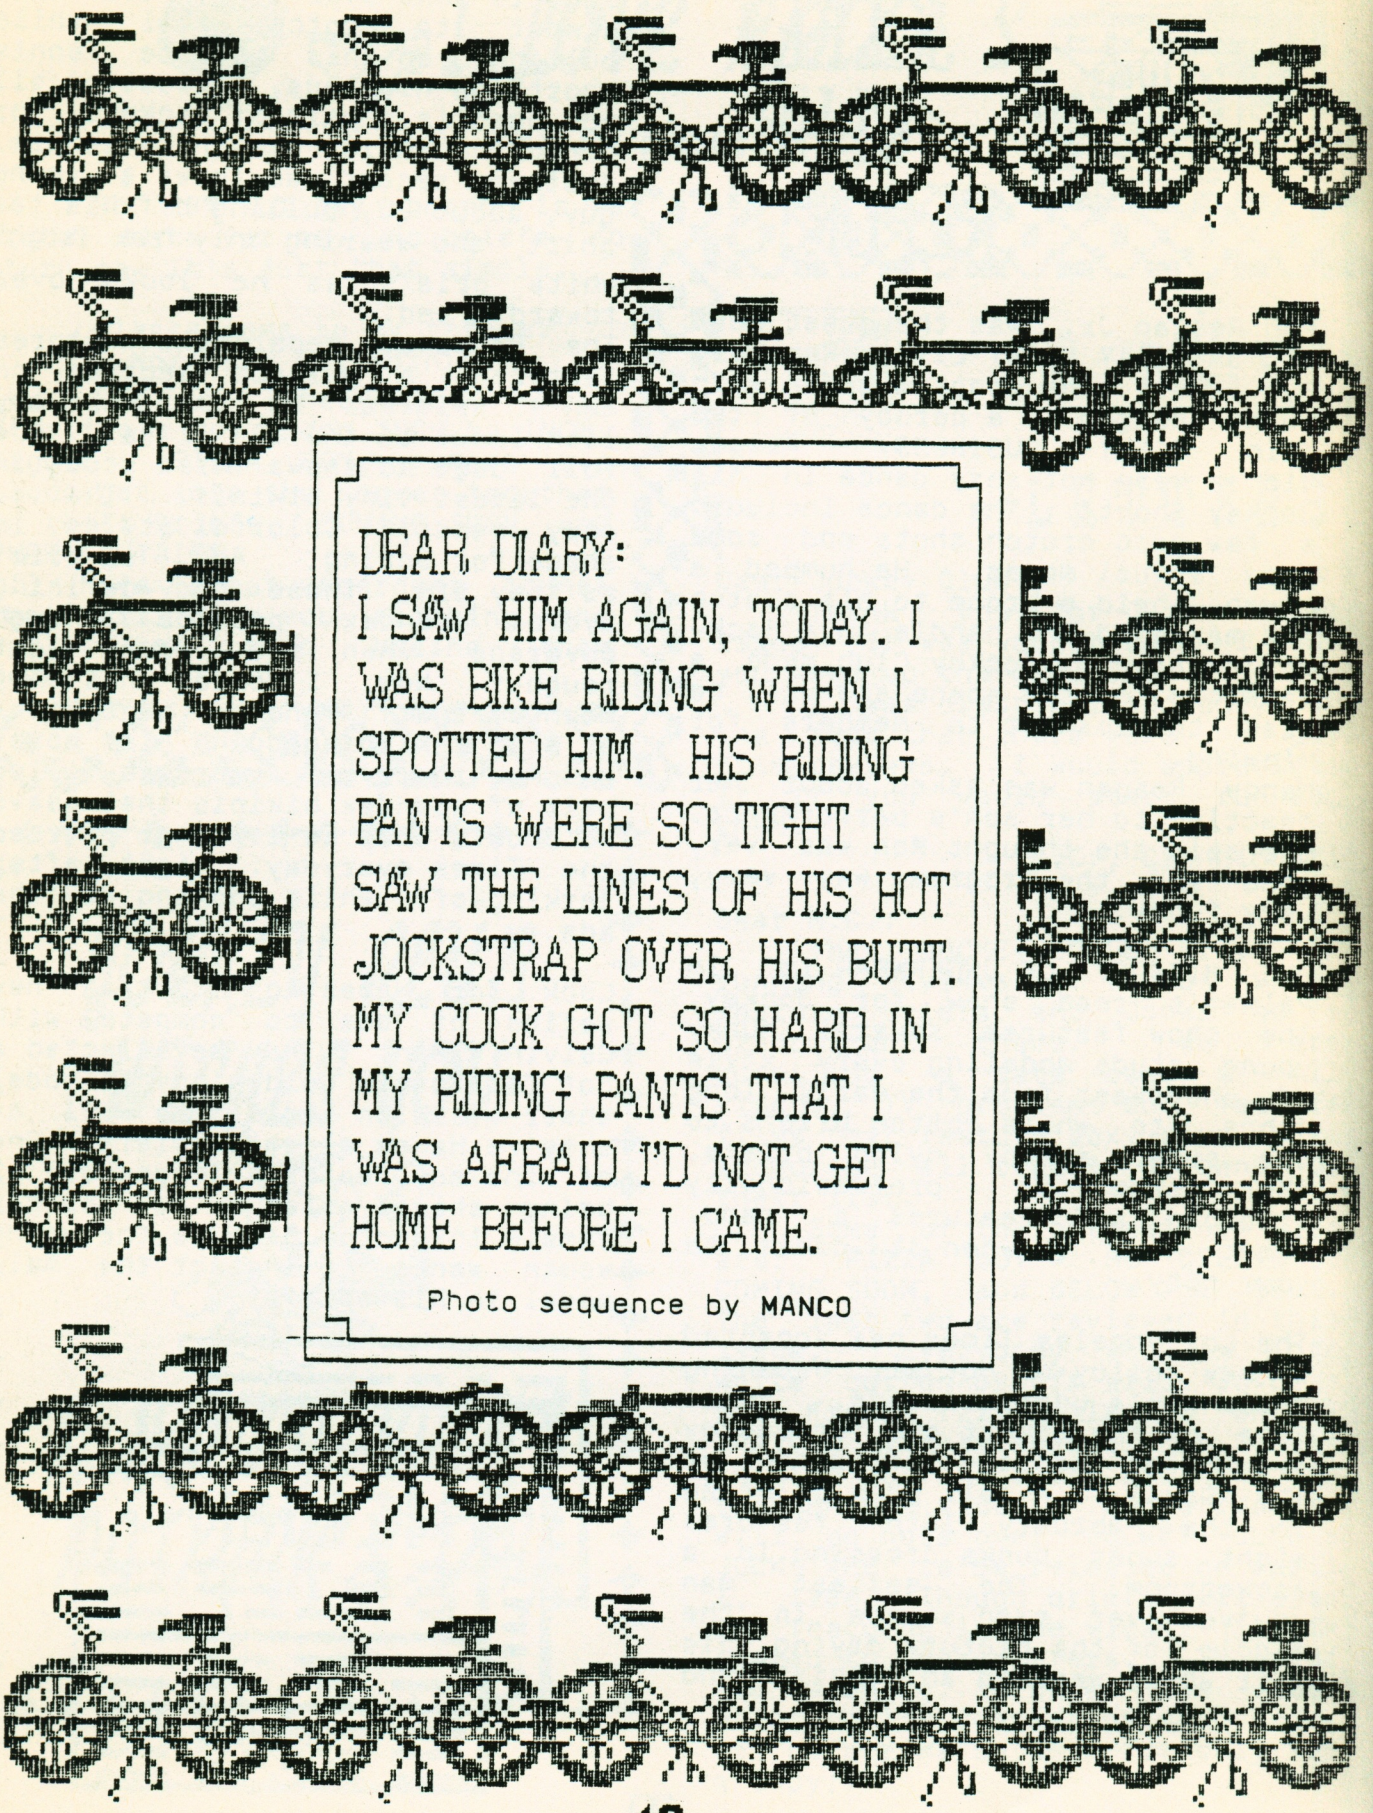
Ron Reagan Jr. was the guest host of SATURDAY NIGHT LIVE, February 8, 1986. The program began with young Reagan in a parody of the film RISKY BUSINESS. Reagan did a very hot sexy dance in his Jockey Shorts. The dance included a few good crotch shots and some very sexual moves. He humped a couch, held a broom to his crotch and massaged the handle in a jack-off motion. Jockey Club made a cassette of the scene and will be glad to loan it to members for viewing.
Nancy Reagan was asked about her reaction to her son's performance. She said she thought Ron was very good and the program was very, very funny.

THE HISTORY OF UNDERWEAR is Jim Palmer's road show for Jockey. The show features several hunky young studs modeling every style of underwear from the early long johns, to white cotton briefs to the super skimpy nylon briefs. The show is professionally produced and features a ramp. Don't miss it when it comes to your city.

The Los Angeles Times has accepted a new policy of not air brushing their men's underwear ads. Well! Some of the newest ads for Jockey are hotter than the left cheek of the Devil. A full page color ad in the February 16th features eight super hunks dressing in a lockerroom. The sexiest man you've ever seen stands in the middle of the picture drying his hair while wearing an A-shirt and Jockey Classic Briefs. Another stud is bent over in front of him, almost to crotch level while pulling on his Lacoste Tennis shorts up his legs, indicating all you need is a pair of Jockeys for support while playing tennis. Another recent ad shows a young guy, about 20, pulling off his tee shirt and wearing only his tight white briefs as he looks over toward a bed.
The Broadway department stores featured a pullout section on men's swimwear in the February 16th issue of the LA Times. One full page ad shows three studs in the latest tiny bikinis. The ad copy reads," Colorful styles in shape for Spring. And, as brief as they are, these body-defining Lycra pandex provide enough coverage when the waves get rough." Now, I wonder what they mean by that? Another page shows a stud skinning down his boxer trunks to reveal a crotch-filled pair of spandex bikinis that leave no doublt that he is hung! I read the Times everyday...right after jerking-off while looking at the ads.

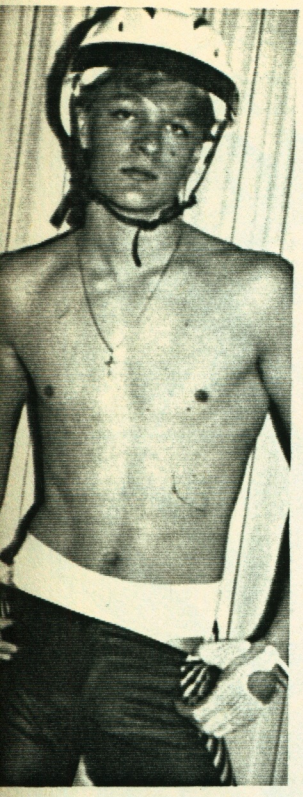
Look for Hanes to start a new series of ads to compete with Calvin Klein. They've selected a hot California Golden boy to model their fashion briefs as well as they're Hanes classic briefs. One of the ads features Inspector 12 being shoved aside by a younger female inspector because the young woman wants to inspect the male model in his briefs.



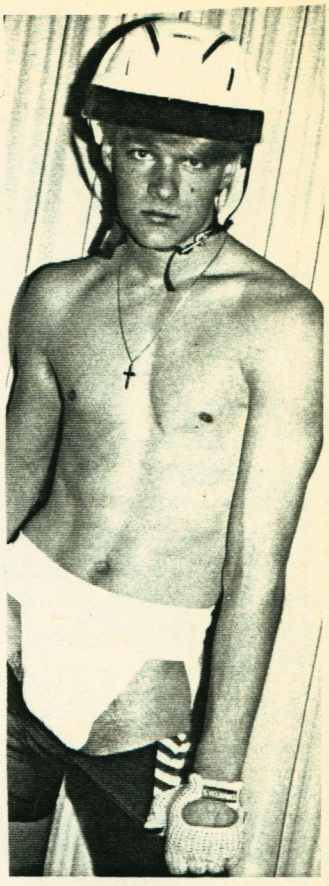


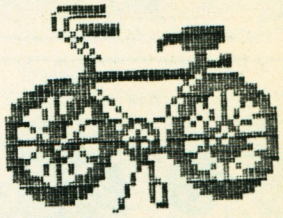
DEAR DIARY:
I SAW HIM AGAIN, TODAY. I WAS BIKE RIDING WHEN I SPOTTED HIM. HIS RIDING PANTS WERE SO TIGHT I SAW THE LINES OF HIS HOT JOCKSTRAP OVER HIS BUTT. MY COCK GOT SO HARD IN MY RIDING PANTS THAT I WAS AFRAID I'D NOT GET HOME BEFORE I CAME.

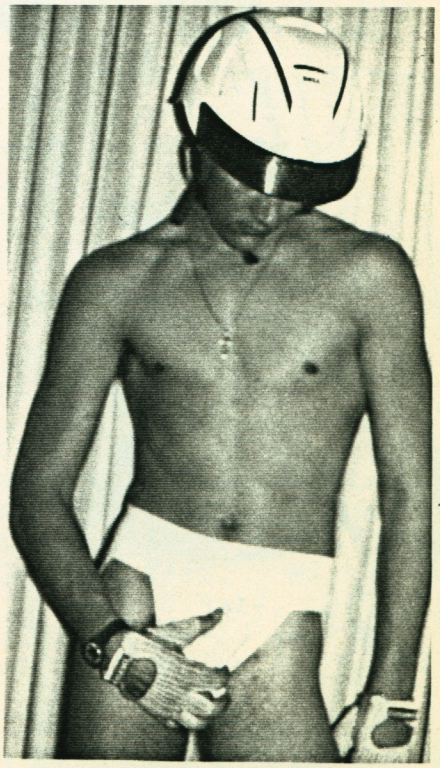
Photo sequence by MANCO



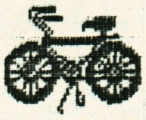
AS SOON AS I GOT HOME, I SKINNED DOWN MY TIGHT BLACK PANTS AND BEGAN CARESSING MY THROBBING ROD RIGHT THROUGH THE TIGHT COTTON STRETCHED OVER MY PRICK. PRE-CUM JUICE SOAKED THE COTTON POUCH. I TEASED MY COCK HEAD THROUGH THE WET JOCK FOR A LONG TIME.

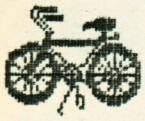


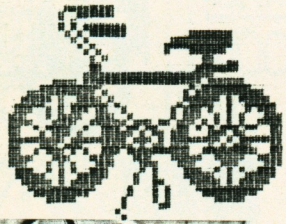


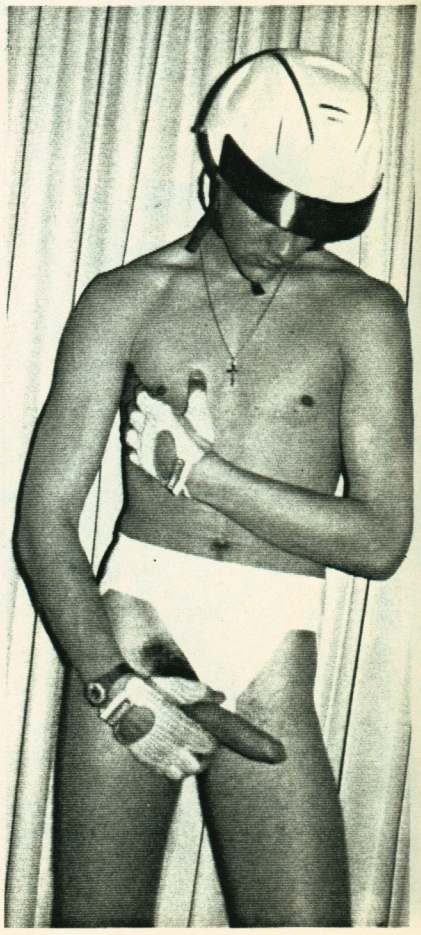


FINALLY, I PULLED MY ROD OUT AND GAVE IT A FEW GOOD, HARD, PUMPS. JUST AS I FELT MY JIZZ BUILDING IN THE BASE OF MY COCK, I STUCK IT BACK INSIDE OF MY JOCKPOUCH AND GAVE IT ONE FINAL SQUEEZE AND LET MY CUM BLAST OUT. IT WAS A HARD CUM WHICH LEFT ME WEAK AND WET.









Film and Video Reviews

COMING SOON

Reviewed by David White

Jean-Daniel Cadinot is the French gay film director who brought HOT ON THE TRAIL, the boy scouts in white cotton briefs, fantasy to the screen. His newest video, COMING SOON is for the Jockstrap lovers. Exclusive US distribution is through TRADEMARK.

The French name for the film is AGE TENDRE ET SEXES DROITS. It is about several young men who perform sexual dances at a French nightclub, THEATRE ST. DENIS.

This is not a "story" film but more like a rehersal at a gay French Chippindale's. In the sound booth we find a stud operating the control panel while fucking and sucking throughout the film. But, the main action is on the dance stage. Each of these young French hunks wear only a jockstrap or white cotton briefs as they reherse each number. Black jocks, red jocks, white jocks; all filled with prime young meat. While each of the boys goes through his routine, the other boys sit in the audience massaging the jock bulges of the other boys. Of course this leads to fucking and sucking.

This is a difficult movie to review because it is so unusual from the normal American Fuck/Suck epics. As each boy dances the camera comes in for a close-up of his buldging briefs or jockstrap. This will drive you wild if you're a jock sniffer. Each boy poses in every possible way to excite you. In fact, I've cum so many times watching these guys that I've ordered talc by the 55 gallon drum.

This is not a video for everybody. It is for those who can really get-off watching extremely handsome men cuming with sexy young guys. One of the surprising things about the video is the presence of romance between the dancers. The viewer can tell just how much these guys enjoy showing off thier bodies to each other then to be rewarded after their dance with groping, feeling-each-other-up, stripping a jock off a hard cock and finally sucking and fucking.

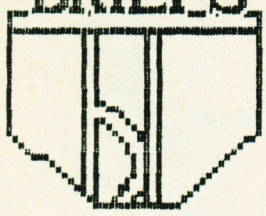
MY BUDDY'S BRIEFS



BY DAVID WHITE

The early morning sun was flooding into Chuck's bedroom, as he lay sleeping on his bed. The rays of the sun warmed his smooth eighteen year old face. He stretched his young body and let his left hand slide to the waistband of his Fruit of the Loom briefs.

Chuck had a hard-on under the thin cotton. It tented the white cotton so that the waistband of the briefs was pulled about an inch from the tight flat stomach of the boy. His hand glided over the bulge, first just letting his fingertips tease his teen cock, then on down to caress his jizz filled balls. He began kneading his balls and squeezing his cock shaft.

Chuck's bedroom door slowly opened. Rick, Chuck's high school buddy was there to take Chuck up to the lake for the weekend. Chuck had over-slept.

Rick was fascinated by the sight of his teenage buddy lying on his bed displaying his hard prick through the tight briefs. Rick stepped into the room and closed the door behind him.

Not making a sound, Rick watched as sleeping Chuck rubbed the bulging briefs ever so slowly. He could clearly see the cockhead and the ring around it...He could make out each of the balls in his buddy's sac. Rick's cock sprang to attention in his own tight briefs. He dropped his hand to the front of his jeans and gave his meat a little squeeze as he watched his friend on the bed.

Chuck squeezed his cock more firmly through his shorts. Rick almost gasped aloud when he saw a small damp spot appear at the head of Chuck's prick. Rick guessed his buddy's cock was about seven and a half inches long. About the size of his own or maybe a little longer. The wet spot became larger and larger and soon Chuck had spurted a good sized glob of precum juice to soak his Fruit of the Loom briefs.

The sun coming through the window made the pre-cum jizz glisten. Rick was becoming hotter and hotter. Soon he felt his own briefs becoming soaked with teen sex juices. He squeezed his cock harder and harder through his jeans and briefs as Chuck continued to massage his own cock.

Chuck began breathing heavily and sighing. Rick was too. Within a few moments, as Rick stared at the bulging briefs, Chuck let out a louder moan and as his hips jutted forward, he blasted his load of cock cum into his tight white cotton briefs. He gave the briefs a thorough jism drenching. The wetn;ess made them transparent and clearly displayed his cock and balls through the cum-ladened shorts.

past Rick to the tent door as Rick shoved down his jeans. His prick was semi-erect and he didn't want his buddy to see it. He sat down on his sleeping bag and began pulling off his pants. Chuck said he'd meet him in the lake. Rick was down to his jockey shorts. He squeezed his dick causing a little gush of pre-cum juice to soak through.

He hoped he could get into the water without Chuck seeing the wet spot.

He scrambled out of the tent and down to the water. He dove into the lake and surfaced beside of Chuck.

"That's the fastest I ever saw you move, Rick," Chuck said. They played in the water for awhile. Rick was glad his hard-on had gone down. They climbed out of the water and lay down on the sandbar. Chuck looked over at Rick. His soggy briefs were almost transparent. He laid on his back as Rick had. Both boy's cocks were clearly visible through the wet cotton underpants.

Without warning, Chuck jumped on Rick and began wrestling with him. They threw each other over and over trying to pin each other. After a few minutes Rick was flat on top of Chuck pinning him down. Their chests were tight together. Rick became aware of his cock hardening and pressing against Chuck's underpants covered prick. Chuck looked up into Rick's eyes and said nothing, just looked at his boyhood chum. Rick slowly lifted his trunk off of Chuck and released him. Without a word they got up and went back into the tent.

Inside the tent the two boys sat on their sleeping bags.

Rick kept his eyes down. He dared not look at Chuck for fear his erection would reach full staff.

RICK FELT THE BIG PRICK JERK UNDER THE SKIN-TIGHT BRIEFS. HE MOVED HIS MOUTH SO THE COTTON-COVERED PRICKHEAD WAS IN HIS MOUTH. HE SUCKED HARD. CHUCK LET OUT A LOUD GASP, THEN RICK'S MOUTH WAS FILLED WITH HOT CUM.

"Rick, I hope you're not embarrassed about getting hard when we were wrestling," Chuck said.

This caused Rick to be more embarrassed. "Ahh, daahhh..." He mumbled.

"Don't be shy about it, Rick. Feeling your cock pushing against mine made me hard too. See?"

Rick looked over just as Chuck leaned back on his elbows and spread his legs wide so his buddy could see his fully hard dick pressing the wet white cotton way out from his belly. Rick gasped aloud. He watched in surprise, as Chuck reached down and squeezed his cock through his briefs.

Chuck looked at Rick and saw the look on his face. This was the first time Chuck had ever done anything sexual in front of his friend. He saw Rick's cock tenting out his own briefs.

"Rick, when I get hard like this I just gotta jack off. Want to beat off together?"

Rick was dumbstruck. "Yeah, but let me tell you something, Chuck."

Rick's own cock erupted in his briefs. Rick quickly placed his right hand down his pants and between his briefs and jeans so not to get any cum on his pants. The sensation of his hand over his cotton-covered hard cuming prick was enormous. His body shook as he tried not to made a sound as jizz shot out of his cock and soaked into his briefs just like his best buddy had just done in front of him.

Quietly, Rick opened the door and closed it behind him. He went into the bathroom and cleaned his briefs. Going back to Chuck's door, he knocked and called Chuck's name.

"Wait a second, Rick. I'll be right with you. Is Mom and Dad up yet?"

"Your dad is; he let me in. Your mom's still asleep. I'll wait downstairs with your dad while you get dressed. Get a hurry-on, now!'

"Okay, I'll be ready to leave in a few minutes."

Rick enjoyed a cup of coffee with Chuck's dad while he waited. He did not hear any of the man's friendly chatter. He could not get the vision of his buddy's prick filled briefs out of his mind. Damn, he had wanted to touch that bulge, feel it, maybe even kiss it.

Rick and Chuck loaded their camping gear into Rick's Silverado. Rick found that throughout the drive up to the lake, he kept looking over at the bulge in Chuck's tight jeans and wanting to see his buddy again wearing just his briefs.

Chuck's blond features contrasted sharly to those of Rick who had black curly hair. His dark tan and rugged handsome face made him very popular at school.

"Hand me the map behind your seat, Chuck. I heard of a short cut I'd like to try," Rick said.

"Sure..." Chuck turned around in his seat and crawled upon his knees to stretch over the seatback to retrieve the map. As Rick looked over at his buddy's ass, he saw that Chuck's shirt tail had pulled out of his jeans revealing the waistband of his briefs. Rick recognized the waistband of Hanes briefs stretched around the tan waist. Once again, a mental picture of Chuck's hard cock stretched out Rick's cock in his briefs and jeans. He reached down to put it in a more comfortable position before Chuck turned back around with the map.

"Here, it is..." Chuck said opening the map.

Rick felt his cock oozing a little pre-cum into his shorts. He hoped the cotton would absorb it so it wouldn't show through.

After driving for three hours, using the shortcut, the boys got to the lake. They set up their tent and unloaded their supplies. They were in an isolated area of the lake that was seldom visited by anybody. They had skinny-dipped here as children, but when they matured they began wearing trunks.

When they were satisfied with their lakeside camping set-up, Rick suggested they take a swim. He wanted to see his buddy in his Hanes briefs.

Inside the tent, they stripped off their outer clothing. When Chuck stripped off his jeans his back was to Rick. Rick couldn't take his eyes off of the perfectly shaped bubblebutt of his buddy.

Chuck reached for his trunks but Rick stopped him suggesting they just wear their briefs in the lake since nobody could see them. Chuck agreed. He threw the trunks back down on his sleeping bag and turned to face Rick. He walked

Chuck continued to squeeze the outline of his hard cock as Rick spoke to him.

"I really want to look at you in those shorts for a minute. You got me so hard seeing you in them."

"Sure, look all you want," Chuck said

Chuck felt a strange excitement flow through his body as his best buddy openly stared at the big bulge in his briefs. He decided to give his friend a real show.

He stood up and pulled his tight wet briefs up as tight as he could. The waistband was about three inches below his navel and about three inches out from it, as well. He dropped his right hand to his crotch and let his fingertips tickle his balls.

"You like lookin', don't you? These wet briefs feel so good. They get so tight when they're wet. And look, Rick. You can see my cock and balls right through them. And I can see yours, too. Looks like we're both hard-on studs," Chuck blatantly said.

Rick had regained some of his composure. He stood up and faced Chuck. Their cock bulges were only inches apart.

Chuck said,"It sure felt good having you press that thing of yours against mine." He stepped forward and the two rock hard, cotton covered pricks meshed together. The initial touch sent shocks through both of their young bodies.

Without a word, Chuck leaned forward and kissed Rick directly on the mouth. Their arms intertwined and they ground their pricks and balls together. When the gentle kiss was broken, the two boys looked down to their tenting pricks and saw that each had gushed a squirt of pre-cum juice out of their piss-slits. The goo of both boys' pricks meshed together to form one big blob of teen pre-fuck juice.

"Chuck, I love you,"Rich admitted. "This morning I came into your room before you woke up. You were having a wet dream. I watched you pop off a load. Chuck, it was beautiful. I knew then I had to play with you, hold you, love you. I watched you cum in your underpants..."

"I know," Chuck said. "I was really awake. I closed my eyes again when you came into the room. I was hoping you'd crawl in bed with me."

Rick reached, and kissed Chuck again then slowly dropped to his knees. Chuck's hard cock bulged into Rick's face. He pulled Chuck's ass to him forcing the brief-covered cock firmly against his face. He licked at it, sucked at it through the wet cotton. His tongue-tip ran the length from his balls to the pre-cum soaked spot near the waistband.

"Oh, Rick!!! Yeah!!! That feels so good. I love it through my briefs. I jack off in them all the time and now I have your mouth there. Damn! This is great!!! Jack me through 'em too; eat my dick, Rick!"

Rick continued to take Chuck's prick between his lips and squeeze as he moved his head up and down, jacking the teen prick in the wet cotton. One hand covered Chuck's ass and the other tickled his balls.

"Make me cum in my briefs, Rick. Really get them soaked with spit. Let me cum now....Please..."

Rick felt the big prick jerk under the skin-tight briefs. He moved his mouth so that the cotton-covered prickhead was in his mouth. He sucked hard. He heard Chuck let out a loud gasp and then Rick's mouth was filled with volley after volley of hot teen cum strained through tight white cotton briefs.

Chuck's knees buckled and he fell to his knees as his buddy sucked his jism. His body contorted and jerked in incredible spasms then he fell back on his sleeping bag. He looked up at Rick still standing on his knees. He reached out and grabbing Rick's hand, pulled him down on top of him. Opening his mouth, he kissed Rick's mouth. He slipped his tongue into Rick's mouth and tasted his own jizz still fresh on Rick's tongue.

"Thank you, thank you, thank you, Rick....Please let me do you now."

It was later afternoon as Rick lay on his back on top of his sleeping bag. Chuck's hands were playing with the cockbulge in Rick's jockeys.

After playing and jerking the cotton imprisoned cock, Chuck opened his young mouth and letting his tongue stick out through his lips, moved his head against the object of his desire. He let his tongue tip twirl in the pool of precum juice that had oozed from Rick's balls through the pouch of his soggy briefs.

Chuck was in a world of his own. This was the first time in his young life that he was able to do with his buddy everything he ever wanted to do with him. All barriers between them were now broken. Any shame was gone. Only heated lust for Rick's cock filled Chuck's body.

Rick began to squirm wildly under him. But, Chuck kept servicing the cotton covered cock and balls. Chuck loved the way the tight briefs fit Rick. He wished Rick could always wear briefs and nothing else in his presence. He squeezed and nursed on the shaft for fifteen minutes until Rick was panting loudly and thrashing about beneath him.

Chuck's fingers slipped through the slot designed to pull Rick's cock out to piss and reached in. He felt the naked skin of Rick's rod. He began to jack it wildly. Suddenly, Rick's cockhead sprung from under the waistband. The purple mushroom was soaked with slick, sticky pre-fuck juice. It oozed freely from the shaft. Chuck's tongue scooped it up as fast as Rick leaked it. Twirling his tongue all over the naked shaft and the elastic waistband of the tight briefs, Chuck was determined to make his buddy shoot into his mouth.

"Straddle my chest!!!" Chuck yelled to Rick. Chuck threw himself back onto his sleeping bag and Rick climbed onto his chest, his cock bulge directly in Chuck's face.

Chuck licked at the cotton covered balls and up to the naked cockhead. Rick leaned forward and balanced himself on his hands and knees and rubbed his prick all over Chuck's handsome sexy face.

"Here it comes, Chuck....I'm squirtin'...I'm coming on your face, Chuck!!!!!"

Chuck reached to capture the prickhead so he could drink in all of his buddy's juice but the cock shot out the first stream of white hot cum all over his cheeks, forehead, nose and lips. But, Chuck got to it in time to catch the next wave of jizz and the next wave. His mouth was cum drenched by the time Rick's cock stopped shooting. Then, Rick collapsed on Chuck. He looked down at Chuck's cum-laden face and with all the strength he could muster, he leaned down and kissed him.

They both fell back for a few minutes in exhaustion.

Finally, when they had both regained their strength, they sat up and skinned down their cum and pre-fuck juice soaked briefs.

"Chuck, I want your shorts," Rick said.

"Sure, in fact, I'll jack off in every pair I own and give them to you if we can do all of this again."

"You got a deal, jockey boy!" Rick said.

JOCKEY CLUB PERSONAL AD OF THE MONTH. THE BEST NEW PERSONAL AD WE'VE RECEIVED!

Totally addicted to jockstraps -- especially those seasoned with cum and sweat (no piss, please). Prefer standard jocks in white or natural but enormously aroused by jockstraps in any color, fabric, size and style. Armed Forces and foreign jocks a very special "stimulator." Also turned on tremendously by other masculine pouch gear including bikinis (both briefs and swimwear), dance belts, fishnet bottoms and tops, jockey-style briefs, sheer underwear of all sorts (including boxers -- if snug-fitting) and Speedo swim suits. Instant hard-on and pre-cum flow guaranteed if jockstrap or pouch gear is combined with any of the following: almost all body-hugging athletic gear, boots of all kinds, 501 Levis, running outfits (the skimpier and lighter, the better), Schimmel tops, snug-fitting sweats, uniforms (most particularly sailors'), workout wear and wrestling jerseys. Big on rubbers, too.
MAIL INTEREST: Swapping Video tapes featuring guys in jocks and swapping jockstraps. I am crazy about gay porn, swapping jockstraps, adventures, articles, fantasies, photos and, above all, "ripe jocks." Prefer continuing trade back and forth of a single jockstrap or two with each adding manseed and sweat but also interested in one-time exchange. Can get off on similar swapping with other pouch gear.
PHONE INTEREST: J/O calls about jockstraps and jock experiences (real and wished-for), especially interesting in beating off by phone with a stud after he, I or both have just received a raunchy jock from the other. Similar arrangement involving other pouch gear a strong possibility.
IN PERSON INTERESTS: Wild about "hand job" and mouth / tongue treatment of turn-on outer wear, mutual stripping and -- when down to jockstraps or other pouch gear -- licking, massaging, joint pouch rubbing, sniffing and sucking on pouches and the hard dicks and nuts they are covering. Tracing tongue along edges of pouch gear and darting tongue into pouches another incredible turn-on. Favorite finale is mutual jacking off but face-fucking (with cock sheathed in a rubber) is very near the top of the list. Also big on voyeur/exhibitionist scene.
VITAL STATISTICS: 47,5' 9",155, short clipped brown/gray hair with "monk's tonsure" in back, green eyes (wear glasses). No body-builder but have trim, well-maintained and healthy body. Cock also trim and cut; balls are good-sized and somewhat low-slung. Much admired ass cheeks. Moustache and modest amount of body hair. Do not drink nor use grass or poppers but have no problem with playmates who do so in moderation. Do smoke cigarettes but can (and do!) refrain if partner so requests. Have been "IN COMMAND" (but no master) in most relationships but perfectly happy with co-equal role. Live in Washington, DC area. Particularly pleased to provide diversion for visitors. WRITE TO JOCKEY CLUB BOX 3232.

CONT FROM PAGE 27

The film begins with a group workout at a karate School. Robbie is trying out for his purple belt so the coach offers him a special workout.

The other boys are in the locker and shower rooms. Two muscular hunks begin fucking and sucking while sexy, well-built Steevie (Jim Steele), watches them while jacking himself off.

After the others leave the lockerroom, Robbie is alone with Steevie. He confesses to Steevie that he has been having strange dreams about Greg, the karate master. Steevie, wearing only his tight jockstrap, straddles the bench and listens to Robbie's dream. It is an incredible fantasy about samrai wearing black jocks. Steevie massages his own bulging jock as Robbie continues telling of the dream in which a muscular Asian is fucked by Greg. When Greg walks away from the freshly fucked Asian, several men wearing Japanese wrap-around underwear jackoff all over the Asian. Matt Ramsey unloads a heavy volley of cum on the guy. Steevie's cock stretches in his pouch and pushes his will-power to it's limit. He reaches into Robbie's karate pants and is soon giving the young blond one hell of a blow job. Robbie has more on his mind than a blow job, though. He flips Steve around and pounds a hearty fuck into Steevie's jockstrap outlined ass until he blast his load all over Steevie's butt and ass-straps of his jock.

The following sequence opens outdoors where three karate buddies are taking photos of each other in various stances. One boy just can't seem to get his stances right so the other two force him to suck cock while they verbally humiliate him. Once again, throughout the sucking and fucking, the jockstraps stay in place. The "pussy-boy" is not only forced to suck one guy's cock while the other hot stud fucks his ass, but the two then switch positions. Finally, the two tops are so aroused by their prey; they double fuck the young jock. Cramming both of their cocks into him, all the way until their balls bounce against each other's. They finally pull out and aim and shoot huge loads of cum right at the spot when the young, dark haired boy's ass straps meet at his jock pouch.

White cotton brief lovers will love the following scene. Vinny and his roommate are stood up for a date and end up spending the evening at home drinking beer and watching a karate movie. Twelve beer cans are strewn across the floor as Dark, curly-haired Vinny looks over at the brief covered ass of his buddy, sleeping on the couch. The blond's butt really turns Vinny on, so he strips out of his jeans and begins beating off. But, he wants more. He leans over and begins licking around the brief covered butt and down to the crotch. This turns on his blond roommate who turns over to reveal the front of his full-cut, white BVD briefs. They reveal a full hard-on stretching the material to the limit. Vinny stares at the bulging cock; making out the outline of his buddy's balls, shaft and cockhead. Vinny bends over and licks and licks at the cockbulge, wetting the briefs with his hot saliva. After a few minutes he releases the big cock from it's cotton prison and makes hot love to the cock. Soon the blond is fully awake and the two position themselves into a 69. After just a few mouth fucks, the men blast their creamy, white cum all over each other's faces giving them a thorough jism drenching.
